WORKSHOP TOPICS & OUTCOMES

· WORKSHOP FOUR ·

Blasting Through Barriers to INTRAPRENEURSHIP

Are you moving too slow? Not enough time? Not connected to end-users? Simone will unpack intrapreneurial barriers and map out specific strategies to navigate them in this interactive and fast-paced half-day session. This workshop will help you bond as a team and shift focus from barriers to solutions so your teams can drive better, faster, and even cheaper innovation.

In this course, you'll learn to:
